Owosso Fall Nationals 2021 Rules:

The 2021 Owosso Fall Nationals will follow the 2021 Owosso Speedway weekly rules package.

The only exception will be in the FWD class. Any FWD team that are utilizing radial tires with less than a 300 tread wear rating will automatically be classified as an "A" car. No matter of lap times. FWD teams that are using a 300 or higher tread rating maybe be considered a "A" car depending on lap times.

Owosso Speedway will split the FWD class following our normal criteria after qualifying and will be watching for breakout laps during races.

NO SANDBAGGING. TRANSPONDERS WILL BE USED THIS YEAR!

Also, as a reminder to all teams competing Owosso Speedway general/class rules do not allow mirrors or radios to be used during competition.

SATURDAY – SEPTEMBER 25TH: PRATICE IS LIMITED ON SATURDAY.
